2025 Event Partnership Opportunities

Elevate, Advocate, Celebrate

Join us in **Ottawa** this October for the **2025 ACEC Canada** Fall events week — a premier week celebrating the best of the consulting engineering industry. This year's gathering will shine a spotlight on engineering excellence, as we come together to honor the innovation, leadership, and achievements shaping the future of our sector. And 2025 marks an especially special year for the association as ***we celebrate our Centennial!***

As a sponsor, you'll gain exclusive access to meaningful networking opportunities, while showcasing your commitment to the advancement of engineering in Canada and beyond. Connect with industry leaders, recognize the outstanding contributions of consulting engineering firms, and be part of a week dedicated to excellence. **Don't miss your chance to be part of this remarkable event. We can't wait to celebrate with you!**

President's Message

Dear Prospective Partner,

At ACEC Canada, we are dedicated to advancing the commercial and business interests of the consulting engineering industry on a national scale. Representing over 400 member firms, we provide essential engineering and professional services to clients both across Canada and around the world. As a unifying force within our diverse sector—spanning disciplines from small and medium-sized enterprises (SMEs) to large global firms—we play a pivotal role in shaping the future of our industry.

We invite you to become an integral partner in this dynamic community of industry leaders. As a partner with ACEC Canada, you'll gain unparalleled access to key decision-makers, stay ahead of emerging trends and challenges, and help drive important conversations that influence business practices and policy development. Your support strengthens our organization and ensures the continued growth and sustainability of the engineering ecosystem in Canada.

Thank you for considering a partnership with ACEC Canada. We look forward to the opportunity to collaborate with you and work together to achieve our shared goals.

Regards,

John D. Gamble, P.Eng.

President and CEO
ACEC-Canada

Thank You

The Association of Consulting Engineering Companies - Canada is a not-for profit organization that has been the voice of Canadian consulting engineering companies since it was founded in 1925.

We represent the commercial interests of businesses that provide professional engineering services, to both the public and the private sector. Our members' services include planning, designing and implementing all types of engineering projects, and providing independent advice and expertise in a wide range of engineering-related fields.

ACEC is governed by close to 400 members: independent consulting engineering companies, organised into 12 provincial and territorial Member Organizations. We are a member of the Fédération Internationale d'Ingénieurs Conseils (FIDIC), the global voice of consulting engineering.
