

PRIME MINISTER • PREMIER MINISTRE

I would like to convey my warmest greetings to everyone commemorating the 100th anniversary of the Association of Consulting Engineering Companies Canada (ACEC).

For the past century, the ACEC has championed the interests of Canadian businesses in the engineering industry. This anniversary offers a wonderful opportunity to celebrate your organization's many accomplishments and to set goals for the future.

I would like to thank everyone involved with the ACEC for their commitment to supporting and promoting engineering services and projects.

I wish you all a wonderful celebration and continued success.
